Professional Experience

Senior Accountant & Internal Auditor

2025 - Present

Sheep Valley Company - Jeddah, Saudi Arabia

Livestock and meat distribution | wholesale, retail, branches, and delivery

- Led finance restructuring across the company and related entities; improved the chart of accounts, cost centers, approval cycles, and governance.
- Managed ZATCA zakat and tax review files for 2023-2025 and supported recovery of credit balances to strengthen operating liquidity.
- Prepared annual financial statements and budgets, supported Ministry of Commerce filings, and developed cost analysis by activity.
- Supported the transition to a closed joint-stock company and prepared reports and evidence for claims in coordination with Legal.

Professional Experience - Continued

Mahmoud ElDesouki | 2026

Head of Accounts

2023 - 2025

Abu Zaid Restaurants - Jeddah, Saudi Arabia

Multi-branch hospitality and restaurant group

- Analyzed revenue, budgets, and item profitability; recommended pricing and cost controls that supported approximately 30% profitability growth.
- Performed internal reviews across group companies and converted findings into monthly reports and practical corrective actions.
- Reviewed inventory through Material Control, verified balances, and directed costs to the appropriate cost centers.
- Managed supplier, payroll, expense, collection, and bank reconciliation cycles; supervised the accounting team and OPERA access.

Senior Cost Accountant

2021 - 2023

Rady Trans for Rapid Transport and Petroleum Services

Alexandria, Egypt | transport, logistics, and petroleum services

- Analyzed fuel, maintenance, payroll, and logistics costs through daily spend tracking and cost-per-operation analysis.
- Reviewed transport and production performance, budget compliance, variances, and improvement opportunities.

Senior Accountant

2017 - 2021

Ourecon Training and Development

Kafr El Sheikh, Egypt | projects, training, and payment certificates

- Prepared project cost sheets, material prices, bank guarantees, and government/private payment certificates; followed collections.
- Managed supplier and bank reconciliations, cash, advances, payroll, expenses, and month-end closing entries.

Accountant

2012 - 2017

Warathat Abdulrahman Al-Namlah Saudi Company

Yanbu, Saudi Arabia | retail, showrooms, and warehouses

- Established the accounting structure, item coding, and payroll structure for a 750-employee retail and warehouse operation.
- Managed cash, supplier and customer accounts, bank reconciliations, sales and payroll reports, close, and quarterly stock counts.
